Comfort by Design

Symfoni Kamias is packed with features designed to make life as easy-breezy as possible.

Lower Light Switches

The ability to turn the lights on or off becomes accessible to every family member.

Elevator Key Card Access System

Building security is enhanced by a system that limits floor access to its residents.

Lever-type Door Handles

Requiring less effort to operate than doorknobs, these handles make opening doors easier.

Bidet Attachment

A simple bathroom accessory makes a world of difference in hygiene.

Door Card Access System

This system provides an easy and sophisticated solution to home security.

Motion-activated Light

For a safe and convenient experience, lights come on as soon as a resident enters their unit.
