

Finding you the best investments on Earth!

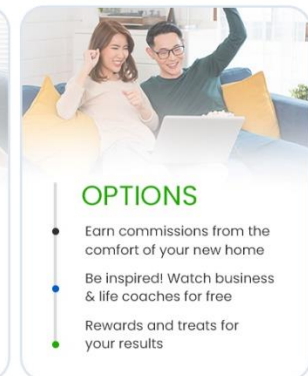

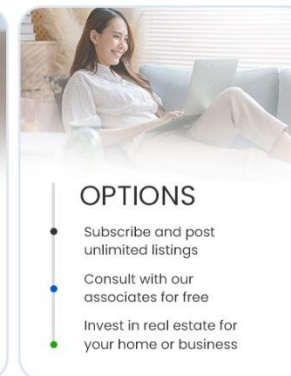

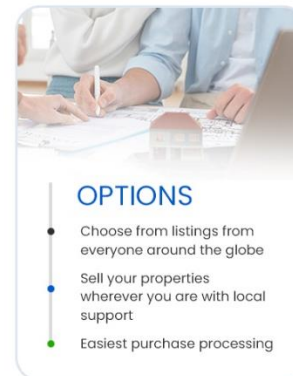

PHOTO POSTING GUIDE

Earthauz will approve the display of photos that meet the following requirements:

- Photos with texts (description, contact, etc.) and collage format will be rejected
- We recommend uploading images in landscape/horizontal format
- Size of the photos must be smaller than 2MB
- Dimension must be at least 900 pixels wide and 650 pixels high
- Place the photos in a logical walkthrough of the property; Suggested arrangements are provided on the following pages
- Larger and higher quality photos are always preferred!
